

# 3D Face Mask

**【Feature】** • The steric structure of a mask makes you feel an extra comfortable fit.

**【Effect】** • 3D mask adhesion, which is not as same as 2D mask, wraps up your face and takes full advantage of the beauty essences effect.

• Easy-to-use, It molds to your face.

## ◆ Superiority

① Well-cared for the skin around the nose than 2D Mask.

Well-cared for the skin around the nose

Around the nose when you wear 2D mask

Fit your face.  
The chin is wrapped in a 3D mask.

② Fit your face shape! Well-cared for the skin (e.g., nasolabial fold, the pores and face line) by tight-fitting mask.

③ Easy-to-use

④ There are 3 types of the mask to the purpose.

Focus on your chin line and mask line first.  
Put on your face
