HANGZHOU TOMSON FINE CHEM CO., LTD., a China - based API and finished product distributor, has professional and extensive networks in the US, Europe, South America and Asia.

Standing out for our advantage and long-term presence in China, we are representing many Chinese pharmaceutical manufacturers and exclusively marketing a variety of API worldwide. We are dedicated to offering customers our unique service, helping them to source from the right suppliers with best quality.

Meanwhile, we have built up a joint venture manufacturing site of cGMP standard since 2013, which is mainly for fermentative products, such as Sirolimus, Caspofungin intermediates, Pneumocandin B0, etc. We can also offer OEM service according to customer's specific requirement.
